NEWS RELEASE

TULARE COUNTY SUPERIOR COURT ANNOUNCES EXPANSION OF SERVICES IN SOUTH COUNTY

Gary L. Paden, Presiding Judge of the Tulare County Superior Court, is pleased to announce the Tulare County Superior Court will begin accepting family law filings in the South County Justice Center beginning July 1, 2015.

Upon dedication of the new south county courthouse, it was the intent of the court to offer full services in the south county. However, due to reduction in resources over the past several fiscal years, the court was unable to offer a full range of family law services in Porterville. Beginning in July, family law matters, including cases involving minor children, will be heard in Department 16 on Wednesday and Friday. Beginning in July, Family law filings will be accepted and processed at the South County Justice Center in Porterville during the hours of 8:00 a.m. and 4:00 p.m.
